## Welcome to your Private Safari Retreat

Experience refined comfort, understated luxury, and effortless togetherness at The Mathis Residence, an exclusive private safari retreat designed for families and friends.

The spacious main house comfortably accommodates two adults and two children aged 9–13, with a beautifully appointed bunk bedroom thoughtfully designed for younger guests.

Opposite the main house, a charming private suite provides elegant accommodation for two additional guests, offering the perfect balance of privacy and shared experiences for extended family or friends.

The Mathis Residence accommodates a maximum of six guests across the main house and private suite.

Guests also enjoy the exclusive use of a dedicated safari vehicle, private guide, and tracker, allowing for a truly personal and flexible safari experience.

Step outside and embrace the beauty of the African wilderness from the expansive communal deck, an inviting space for leisurely afternoons and unforgettable moments together. Take a refreshing dip in the generous lap pool, or gather around the boma as evening falls, sharing stories of the day's safari adventures beneath a canopy of stars.
